

TECHNICAL SHEET FOR OUR EVENT

Hi friends,

These are all the instructions / details about the way to organize your trip and participation to the event.

If you are reading this document, it means you are just preregistered and we (all the staff and the organization from this ACIM and former editions) are glad to receive you sharing the nice sceneries we selected to ride at next July making 3 days of pre-tour at center northern area of Italy to go after for 3 days of main activities at Dolomites Alpes area (UNESCO Universal Heritage) and going, at Sunday, on last salutation tour to Stelvio Pass, maybe one of the best known Italian mountain itineraries for motorbikes.

Furthermore, these are not rigid rules but recommendations to be part of our event according to an unified way to make all activities and, specially, tours in this nice / unique part of Italy we select this time as destination. Only MAIN question is that the amounts of money needed for reservations are an important part of the confirmations and we have no cost but also no way to pre.finance our event. Because of this take on mind that the ONLY way to confirm your presence, when all participant details are as preregistered friend, is to send the first payment of reservation (with at least 25% of all of your calculated costs) before **31 March**.

Second condition is to take on mind that we have an agree to lock the quantity of rooms we need for the event based on the quantity of participants we have on program. The hotel we selected is a really one demanded and the most beautiful on the area (<http://www.hotelbellavistadolomiti.it/en/>), we need to confirm the exact quantity of rooms before next April. Because of this, take on mind we could confirm presence only for participants sending the money before the over indicated date. Every participant arrived after that date will be maintained as preregistered, on participants list, and so needing to find a place to stay in the area by himself and also self-managing picnic bags and services (as dinners) because all of these services are part of the providing agreement with the hotel administration.

Taking on mind these we could now go to the precise program details:

1) The event – First specifications

- *Open participation / Free cost*

We have no organization fees and all of our cost are only to pay every services, product and gadget you will receive during the event. Gadgets cost= 25 Euros for every participant asking (Tshirt, Stickers and local gadget that will be a customized edition of two bottles of Prosecco wine from the area we will travel). To be part is open to EVERY kind and trademark of motorbike.

- All days have near 300 km with no stress movements and always on open routes and so under Italian street rules for traffic.

*All of the itineraries will be a gpx and maps trace that will be shared to all the list of participants
Every tour will have one friend as guide and one another as end-flag of our group. Rest of motorbikes will
make stop-guide runs at every "critical" intersection on the road to assure smooth running for all of the
group (in this case who stop at every intersection will continue the trip inside the group as soon as reached
from the end-flag motorbike of the group.*

*On Italy you need to carry with you an emergency kit and keeping on mind maximum speeds are 90 km/h
on fast state roads, 70 km/h on local state roads and 50 or 30 km/h for city streets. From the guide of the
group you will receive also advices about the presence of "autovelox" (speed cameras) and take on mind in
Italy is usual to have single police car controlling traffic speeds and vehicles documentation.*

- **3 days of Pre-tour** – Emilia Romagna and Apennines panoramic passes routes

*First meeting through Sunday 8 July at the evening and Monday 9 at the morning at Ferrara's city
area. Monday July 9 we will go to the "Raticosa" Pass area through "Mugello circuit" area and after going
to the forests near Florence to after returning through "Muraglione" Pass. Tuesday we will have an
itinerary from Modena Apennines panoramic areas and passing through a brief visit to Ducati museum (on
the go) and Ferrari museum (on returning).*

*Wednesday 10 we will start the trip going to Garda lake to after visit panoramic routes on the area of
Trentino region and arriving to ACIM main area for next days or routes. On these days there will be always
the possibility to upgrade-change routes to the best-weather condition itineraries.*

- **3 days of ACIM Main routes**

*Keeping on mind official programs and routes for the event you will receive the maps and .gpx
routes for these three days of "all" panoramic roads, mountains and lakes. A really nice itinerary that will
involve the group with only stops for pictures moments (taking photos) or little coffee-breaks. We have on
program also stop & go points to taste local preparations and deserts. One day (Thursday 12) we will visit
also a traditional production of local smoked ham factory and, on Friday, a Prosecco production from where
we will receive also part of the gadget for the event.*

- **1 last day of Panoramic roads to Last Salutations at Stelvio pass**

*This is a nice panoramic tour asked for a long from friends to be added to our program and so we
select to give the possibility to make a last itinerary from Dolomites area, passing through Trentino region
and arriving at Stelvio Pass, one of most symbolic passes from Northern Italy. We will start riding from 10.30
to arrive to the pass on the afternoon.., surely lots of bikes we will cross our route but more and more
panoramic sights, curves, forests and also fresh air to the best ending salutation (on the pass) from who
enjoy all the ACIM 2018 X Edition.*

2) Hotels & Reservations

- 60 € reservation for pre-Tour (near 105 € total cost for three days per person on only room condition, to be added breakfast at 200m of hotel) – Hotel is here: <http://bit.ly/FETorreCoronella>

- 75 € reservation for ACIM per person /day (this price include all meals and drinks + water + spa + parking protected for our motorbikes) – Hotel website is this: <http://www.hotelbellavistadolomiti.it/en/>

The standard method for reservation is on double – twin room for all because in this way we optimize to the best possible cost for services for all the group. Take on mind that usual cost for single room is 45% more expensive of our pricelist and single rooms needs to be asked directly to the hotel (because on this zone we are on high demand season and so is no sure that could be some room available)

In example:

If you arrive for pre.tour + ACIM main tour on one person you could take on mind:

- 1) 60 € as reservation for pre.Tour of a total cost of 105 € + breakfast and meal costs for these days (nights from Sunday to Tuesday)*
- 2) 75 € every day for ACIM main tour and so 300 € (all inclusive) for nights to stay there from Wednesday to Saturday*

Note that there are not organization cost / fees added and so every change not in program on prices or condition will be directly reflected / refunded to every paying participant. ACIM will be always a free event for all 😊

3) Payments

For every cost calculation you could add to the total cost (being paid with first payment to be sent) **25 €** for Gadgets buys we will add as special gifts for this edition: *Tshirt + Proseccos' dedicated edition bottles + n. 3 stickers*

The way to send the payment could be:
